Hello Michael,

It would be IDEAL if Routledge would send a representative! That way the person could interact with our delegates. It also makes a huge difference to have person to person interaction.

Keep me posted on developments at your end. I will be managing the practicalities of the Publisher's display; however, our Treasurer (Anne-José Villeneuve (copied in) will be attending to payments and financial issues.

Standing by,
Sali

Hi Sali,

Routledge would very much like to exhibit, but we would not be able to confirm until the end of June. We would prefer to send our own representative to staff the table, and need to work out a few minor details regarding travel. If this causes any problems, or if the deadline to secure is upcoming, please do not hesitate to let me know.

Thanks,

Hello Michael,

I am finally sending you all the publishers details for NWAV 44 in Toronto, October 22-25.

We have done everything we can to make the NWAV 44 venue ideal for publishers. Please see the attached powerpoint presentation and information document!

I'd like to see Routledge front and centre at the conference. As you said yourself in your email, Routledge is one of the main publishers for our delegates. It would be great to publicize your important contributions to our field at this milestone conference in Toronto. Indeed, one of the organizing committee (James Walker) has published books with you and there will be many more among our delegates.

Please contact me and let me know what arrangements would best suit Routledge! I can be reached by phone at: 1 416 822 3428.

Sali

NWAV 44 is coming!
