Hello University of Chicago Press,

The reason for my email is to entice you to make UofC Press a presence at NWAV 44 in Toronto, October 22-25.

Many of the books you publish will be of great interest to our delegates who span Sociolinguistics, Dialectology, Syntax, Phonology, Pragmatics etc.

We have done everything we can to make the NWAV 44 venue ideal for publishers. Please see the attached powerpoint presentation and information document!

I'd like to see the University of Chicago press at this conference. It would give you the opportunity to potentially expand your current offerings and to publicize your publishing house to our field at this milestone conference in Toronto.

Please examine the attached documents and let me know if I can be of assistance.

Sali A Tagliamonte

NWAV 44 is coming!
