Hello University of Toronto Press,

The reason for my email is to entice you to make UofT Press a presence at NWAV 44 in Toronto, October 22-25.

UofT press may not be a well-known publisher in Sociolinguistics and Language Variation, but given your mandate to publish exemplary scholarship and to become a premier publisher of scholarly work in North America, it would be ideal to make the most of this premiere conference on campus at UofT this autumn.

We have done everything we can to make the NWAV 44 venue ideal for publishers. Please see the attached powerpoint presentation and information document!

I'd like to see the University of Toronto's press at this conference. This would given you the opportunity to potentially expand your current offerings and to publicize your publishing house to our field at this milestone conference in Toronto.

Please let me know if I can be of assistance.

Sali A Tagliamonte

NWAV 44 is coming!
