Hello Battlebridge Publishers,

The reason for my email is to entice you to make Battlebridge a presence at NWAV 44 in Toronto, October 22-25.

Battlebridge press recently published a book on Tristan da Cunha by one of our respected colleagues and your books will be of interest to our delegates. Given your mandate to publish on languages, pidgins and creoles and multiculturalism, it would be ideal to make the most of this premiere conference on campus at UofT this autumn.

We have done everything we can to make the NWAV 44 venue ideal for publishers. Please see the attached powerpoint presentation and information document!

I'd like to see Battlebridge Publishers at this conference. This would give you the opportunity to potentially expand your current offerings, to meet potential authors and to publicize your publishing house to our field at this milestone conference in Toronto.

Please let me know if I can be of assistance.
