Hello Anke,

I thought I would write to you directly since I know how hands-on you are with your Sociolinguist authors. If there is someone else at Benjamins that would be better to contact, please let me know.

I am writing to encourage you to make Benjamins a presence at NWAV 44 in Toronto, October 22-25.

We have done everything we can to make the NWAV 44 venue ideal for publishers. Please see the attached powerpoint presentation and information document!

I'd like to see Benjamins front and centre at the conference. You are one of the main publishers for our delegates whether in journals, books or book series. It would be great to publicize your important contributions to our field at this milestone conference in Toronto. It would be great to have you here!

Let me know if you have any questions.

Sali
